### Vehicle Machine-guns

Weapon	Range	ROF	Anti-tank	Firepower	
Vehicle MG	16"/40cm	3	2	6	ROF 1 if other weapons fire.

## Special Rules

### **Air Support - p.152**

The Hurricane II is a dedicated air superiority fighter. It can only be used for Fighter Interception and cannot be used for Ground Attack.

### **Commonwealth Rifle Platoon (AU) - p.139**

Corporal John Edmondson is a Warrior and a Rifle/MG team rated as Fearless Veteran.

Jack Edmondson may replace a Rifle/MG team in an Australian Commonwealth Rifle Platoon or a Tobruk Rifle Platoon for +45 points.

Conspicuous Bravery

Edmondson hits on a roll of 2+ in Assault Combat.

Resolution and Leadership

Edmondson's platoon may re-roll failed Motivation Tests.

### **Divisional Cavalry Carrier Platoon (AU) - p.132**

Carrier Platoons are Reconnaissance Platoons.

### **Divisional Cavalry Platoon (AU) - p.132**

An Australian Divisional Cavalry Squadron may field only one Divisional Cavalry Platoon with Captured R35 tanks. It may not field any R35 tanks if it contains any Captured M11/39 or M13/40 tanks.

### **Divisional Cavalry Squadron HQ (AU) - p.131**

A Divisional Cavalry Squadron that is the attacker in a mission with the Defensive Battle special rule may move any one objective on the opponent's side of the table immediately after deployment before Reconnaissance Deployment moves. It may be placed up to 12"/30cm from its original position, but may only be placed inside the objective's original deployment area as defined by the mission, obeying any other mission rules.

### **Divisional Cavalry Squadron HQ (AU) - p.131**

Universal Carriers in a Divisional Cavalry Squadron HQ are Recce teams.

### **Field Battery, Royal Artillery (AU) - p.150**

Although a Field Battery, Royal Artillery is a single Support choice, each Gun Troop operates as a separate platoon with its own Command team. The Staff team is an Independent team.

### **Field Battery, Royal Artillery (AU) - p.150**

Although they count as separate platoons for all other purposes, a Field Battery, Royal Artillery deploys as a single platoon, all at the same time. For example, all three Gun Troops are treated as a single platoon when calculating the number of platoons held in Reserve.

### **Field Battery, Royal Artillery (AU) - p.150**

Field Batteries, Royal Artillery may not be deployed in Ambush.

### **Field Battery, Royal Artillery (AU) - p.150**

Note: The third Gun Troop does not have an Observer team. If the battery has OQF 4.5" howitzers, they will be from this troop and do not have an Observer team.
